THE NEW ALBUM

Bob Malone

Ain't what you know

**ON
TOUR
NOW!**

bobmalone.com

"Bob Malone doesn't just accompany himself on piano. He supports his singing with pulsating, roaring keyboard work that grabs you and shakes you until you cry for mercy."

Keyboard Magazine

"Take Tom Waits, Steely Dan, Dr. John, Louis Armstrong, Elton John, and Harry Connick Jr., put 'em in a drink shaker, add sweetener, and pour out Bob Malone. Nimble playing and smart, sassy lyrics. There's plenty to like here."
