Agenda: - Accepted

Meeting Minutes: June 9 meeting minutes - Accepted

Treasurer's Report: - Accepted with no questions

Committee Reports

Fundraising - Latest Foundry Hall event just completed with somewhat less attendance than expected. Additional upcoming events are now posted on the website calendar.

Membership - Discussed progress on River Network funded recruiting project

Web Site - Website has gone live with general good comments about appearance and potential. Dave to go to training in Traverse City during August and the motion for TRC to help support cost will be discussed during New Business.

Community Connections - Plans set for Annual Meeting at Van Buren Conference Center in Lawrence on December 8. Will feature BYOB dessert and speakers to follow on success of last year. Who Do I Call flyers are being distributed with summer taxes. However, a poll of the attendees noted some areas, like last year, did not get distribution.

Phosphorus Ban - All materials for paid for and received with about \$400 left in budget.

Old Business: River Rescue will be August 7. The actual scope of the cleanup is limited due to the general lack of problems being identified.

New Business: Motion for TRC to split the \$444 cost of Dave's participation in LIAA website training in Traverse City during August. M/ Jurenka, S/ Haight - Approved

Adjourned: 8:05 PM
